ECO Exterior Paint Protection

Offers a more sustainable way to protect your car's exterior, resulting in extreme hardness and resistance. ECO with graphene delivers super hydrophobic properties creating an easy-clean, low maintenance surface. Engineered with nanotechnology to produce distinctive beading which rolls off the surface helping take away dirt, dust and road grime.

ECO Interior Protection

Creates a barrier against UV damage and staining, meaning that fabric, carpet, vinyl and leather surfaces are treated to protect against discolouration as well as spills and stains.

Ceramic Window Tint

Introducing the latest in ceramic technology, 100% metal free window film, delivers significant protection against harmful UVA and UVB rays and dramatically reduces heat in the cabin, therefore reduces air-con usage. Ceramic window tint also delivers outstanding glare reduction and ultimate privacy.

Driver Safety Kit

The perfect solution to help keep you and your passengers safe when you're on the road. The Driver Safety Kit contains items to assist with any unforeseen events during your travels. Housed in a heavy duty carry bag, this kit includes:

- Car Power Bank & Charger
- Fire Extinguisher
- Electronic Road Flare Kit
- First Aid Kit
- Cotton Gloves, Recycled Plastic Poncho, Microfibre Cloth, Hi-Vis Vest

Truseal Tyre, Wheel & Glass Protection

Ceramic Alloy Wheel Protection: Truseal Wheel Protection delivers extreme durability, permanently locks in that factory finish and protects against future UV damage and fading.

Tyre Protection: Truseal Tyre Protection adds a durable deep satin finish, enables simple cleaning with soapy water, is silicon free and offers a flexible protective barrier against harmful UV rays.

Glass Protection: Increase visibility on your windscreen, creating a highly durable protective layer between glass and the elements.
